

**PRESS RELEASE- FOR IMMEDIATE RELEASE- May 26, 2005**

**Call Center to Begin Operations in Spring Hill**

The Office of Business Development is pleased to announce that Gold Key Credit, Inc., a call center corporation with operations in Key West, FL and Chennai, India, is preparing to open an office within the Hernando County Airport Industrial Park. Gold Key specializes in third party contingency fee collections of medical and consumer debt. Their client base ranges from local businesses in need of collection assistance to major national and international corporations.

The office is located at 16070 Aviation Loop Drive and is currently undergoing renovations to transform a former warehouse space into professional office space. Currently construction is nearing completion and Gold Key Credit plans on beginning operations by June 13<sup>th</sup>.

Career Central is currently accepting applications for Gold Key Credit to fill several positions, such as Dialer/Collector, High Balance/Specialty Collector, and Clerical/Support. All positions are permanent, full-time positions. Currently, the Company plans an initial hiring of 25-30 people within the next two weeks and will provide training. Individuals interested in employment should contact Yvonne Woods at Career Central. She can be reached at 352-666-5700 ext. 228.
